SUBJECT: NSC Legal Staff Request for Documents Concerning the Recent Oversight Bill

I received a call today from Robin Frank, NSC Staff Attorney, Room 374A, (395-5026). She requested final copies of various memoranda and position papers the Agency had given Nick Rostow's office during the course of consideration of the recent Intelligence Oversight Bill. She said that they were getting ready for the transition and wanted to have in hand memos which discussed the issues raised in the bill.

I told her that this was no longer my area of responsibility, but that I would pass the request on to the two of you, and that if there were any questions about what she wanted, one of you would give her a call.
